

Welcome to the **CROWN POINT CORVETTE CLUB**

Check out our website: www.CrownPointCorvetteClub.org for more info

We are Northwest Indiana's premier automobile club with over 90 members, established in 1999. The Crown Point Corvette Club's function is to provide a social environment for Corvette owners/enthusiasts, and to participate in Corvette related activities such as road rallies, holiday parties, car shows, restaurant outings, cookouts, road trips, parades and civic as well as charitable events. The CPCC is passionate about all types of Corvettes. Whether you enjoy cruising down the back roads in your heart-pounding Z06, shining up your classic Corvette for a car show, hitting the track with your Grand Sport, or turning a wrench on a big block, our club will suit all your needs!
